25 YEARS PIONEERING IN MANAGEMENT EDUCATION

MBA | SPECIALIZED MASTERS
PhD | EXECUTIVE EDUCATION
IN THE CONTEXT OF RAPID GROWTH OF VIETNAM’S ECONOMY AND THE INCREASING DEMAND FOR HIGHLY QUALIFIED MANAGERS, CFVG AND ITS SUCCESSFUL PROGRAMS OFFER MORE THAN EVER A GUARANTEE OF EXCELLENCE IN MANAGEMENT EDUCATION.
THE CFVG

With over 25 years of success in Vietnam, French Vietnamese Center of Management Education (CFVG) is recognized as a dynamic, innovative and well-respected education institution in Vietnam. We have achieved this by striving to be the best we can be, bringing together inspirational and internationally respected professors, top managers, high-ranked professionals in an environment that combines intellectual heritage with cutting-edge knowledge and innovative approach.

At CFVG, with whichever programs, students will study from the good teachers, learn with excellent classmates, and become successful graduates. Whether they have an interest in accounting, business, finance, management, marketing, human resources, they will find a program at CFVG suit their interests, strengths and ambitions.

With our excellent links with the Vietnam’s business world and strong partnership with European universities and business schools, students will also have a huge variety of other opportunities to develop personally, as well as professionally, in both local and international context. Our aim, ultimately, is to prepare our students for a successful business life in such a fast-paced, competitive global markets, armed with the knowledge, experience and qualifications they need so they are as well placed as possible to pursue the avenues that interest them.

Vision
To brand itself as a top management educational institution offering internationally recognized programs delivered by, or in cooperation with, prestigious international partners and academic staff, supported by a strong alumni network, inspired by European management program design.

Mission
Contributing to the economic development of Vietnam by the creation and dissemination of the management knowledge, especially through the international training and research programs with high quality.

Core Values
- **Rigor**: quality of admission procedures, teaching, supervision of exams, and issuance of degrees.
- **Transparency**: choice of professors, discussion and improvement of the programs, courses evaluation, double financial auditing.
- **Ethics**: respect for ethics and imperviousness against all forms of external interference and influences may appear obvious to an outsider, but in Vietnam it is a distinguishing factor.
- **Identity**: its dual French-Vietnamese identity grants a unique taste of European management in the Vietnamese economy.

With a French-Vietnamese cooperation project in management education since 1992 signed by the Ministry of Foreign Affairs and International Development (France) and Ministry of Education and Training (Vietnam),

- Operated by CCI Paris Ile-de-France, with the largest network of business schools and huge teaching resources in Europe (ESCP Europe, HEC, ESSEC, ...)
- Host Vietnamese partners are National Economics University and University of Economics Ho Chi Minh City, the two best national universities of Economics and Management in Vietnam
- Holding partnership with highly prestigious business schools & universities in Europe
- Strong links with prestigious employers and professional bodies in Vietnam
